

Do you need surgical capacity quickly?

## ...why not consider a mobile solution?

As the health sector continues to undergo developments with the quality and access of patient care at the core, the challenge of waiting times and changing patient demand for elective surgery can pose a problem for professionals, particularly those responsible for creating healthcare facilities and the provision of quality care.

### **Vanguard Healthcare can provide the solution**

Working in partnership with the NHS and other healthcare providers, we can offer a flexible solution for healthcare delivery with our unique fleet of mobile facilities, clinical personnel and state-of-the-art equipment.

Our fleet of operating theatres, wards, clinics, endoscopy and day surgery units are all truly mobile and able to relocate to most places.

#### **We create mobile solutions to many modern healthcare challenges including:**

- Maintaining capacity during refurbishment
- Providing capacity to meet changing patient demand
- Responding to emergency needs
- Taking care closer to the patient's home
- Facilitating new service development
- Realising your reconfiguration strategy

#### **Our service delivery includes:**

- A unique fleet of mobile healthcare facilities
- With or without fully trained and experienced clinical personnel
- Provided fully or non-equipped
- Hire period of 1 week\* to 5 years

\*1 month for Endoscopy units
